STANDARD TERMS AND CONDITIONS

1. GENERAL INFORMATION

1.1 Filing:

This tariff, comprising service rules, regulations, and rate schedules, is the official tariff of ONE CALL CONCEPTS, INC. (OCC) approved by, and on file with, the Board of Public Utilities of the State of New Jersey pursuant to the provisions of N.J.A.C. 14:2-3.1.

1.2 Scope:

The provisions of this tariff shall apply to all persons or entities, including but not limited to, partnerships, associations, corporations, government entities or agencies operating underground facilities ("Operator") within the geographical boundaries of the State of New Jersey and required by the Underground Facility Protection Act, N.J.S.A. 48:2-73, et seq. to participate in the One Call Damage Prevention System.

1.3 Revisions:

No agent or representative of OCC is authorized to waive or revise the provisions of this tariff. Revisions to this tariff may be made only pursuant to order of the Board of Public Utilities.

2. OBTAINING SERVICE

2.1 Application:

Applications by Operators shall be made to OCC on the form attached hereto as Schedule A (sheet 10). A signed application is required, which when duly accepted by OCC, shall constitute evidence of the agreement between OCC and the Operator.

2.2 Availability of Tariff:

At the time OCC provides an application to an Operator, OCC also shall provide to the Operator a copy of the current OCC Tariff on file with the Board of Public Utilities.

Issued: May 1, 2020
By: Daniel J. Florenzo, President
One Corporate Place South
Piscataway, New Jersey 08854

Effective: May 1, 2020

2.3 Communication Requirements:

Operators shall provide and maintain appropriate dedicated message receiving equipment (system compatible FAX or electronic receiving devices/teletype machines) and telephones at all contact locations. Operators shall notify OCC promptly of all additions, relocations and disconnects of such message receiving equipment. Backup telephone numbers for each contact location shall be provided to OCC as well as the name and telephone number of a single Operator representative.

Operators shall be responsible for insuring that their message receiving units are maintained in operating condition. Where Operator message-receiving equipment is not available, arrangements for overnight delivery of notices may be made at a cost to Operator of \$30.00 per day. Operator shall furnish to OCC the address where such overnight deliveries are to be made.

2.4 Operator Location Notifications:

Operators shall supply OCC a list of municipalities and/or geographic areas which encompasses complete area coverage for Operator underground facilities. Operators further shall provide a list of municipalities and/or geographic areas for which the Operator wishes to receive notification as applicable to each of its respective receiving locations. An Operator may supply an alphabetical street index/GIS format with latitude and longitude for areas within a community for which it is to receive notification. Any changes in area coverage shall be promptly transmitted to OCC in writing. Such changes shall not be effective until acknowledged to Operator in writing by OCC.

2.5 Holidays:

Each year OCC will notify each Operator of the list of holidays currently on file with OCC for that Operator. If Operator desires to change any of the holidays reflected in the list provided by OCC, such list of holiday revisions shall be provided to OCC in writing by Operator not later than November 15 to be applicable for the following calendar year.

Issued: May 1, 2020
By: Daniel J. Florenzo, President
One Corporate Place South
Piscataway, New Jersey 08854

Effective: May 1, 2020

3. OPERATIONAL REQUIREMENTS

3.1 Confidentiality:

Operators shall not provide any information or data received from OCC to any other entity except as required by the Board of Public Utilities.

3.2 Access to Records:

In accordance with the fee schedule set forth on Schedule B (sheet 14) hereto, OCC shall provide Operators and excavators access to written or audio records of specific call messages. OCC responses to said Operator and excavator requests shall be provided to the Board of Public Utilities at no cost at the same time the responses are furnished to the requesting Operator or excavator. Any request for information by Operators or excavators shall be in writing and shall be presented by the designated contact person as shown on records on file with OCC. Access to OCC records shall be provided at the OCC office and under the direct supervision of OCC personnel. All original written and audio records shall remain in the custody of OCC at all times. OCC will provide a copy of the ticket to the excavator at no cost at the time of processing, if the excavator has an email address or fax number.

4. BILLING PROCEDURES

4.1 Basis of Bills:

Bills shall be rendered in arrears monthly, quarterly or annually, as agreed to by and between OCC and the Operator. Bills shall be based upon the number of notifications transmitted by OCC to the Operator, or to a third party on the Operator's behalf, during the previous billing period. Bills will be rendered within 10 days of the end of the billing period. The bill shall reflect the number of notifications and total cost for the number of notifications provided either to the Operator or to a third party on the Operator's behalf during the billing period. Each Operator that receives notification, or for whom notification is provided to a third party, shall be charged at the applicable rate provided in the Rate Schedule herein, regardless of whether the notification included notifications on behalf of other Operators.

4.2 Payment of Bills and Late Payment Fee:

Bills shall be due and payable to OCC within 30 days of the date of the bill. For bills rendered to non-governmental entities only, any bill remaining unpaid for more than 30

Issued: May 1, 2020
By: Daniel J. Florenzo, President
One Corporate Place South
Piscataway, New Jersey 08854

Effective: May 1, 2020

days after the date of the bill shall be subject to a late fee payment of 1% of the amount of the bill for each 30-day period, or increment thereof, the bill remains unpaid. If it becomes necessary to institute actions to collect unpaid bills, cost of collection and reasonable legal fees, if any, may be included.

4.3 Default:

If an Operator shall default in the payment of any bill rendered by OCC, then OCC shall provide written notice of said default to the BPU. An Operator in default may be subject to penalties pursuant to N.J.S.A. 48:2-86 and -88.

5. NOTICE FORMATS

5.1 Operator Notice:

Operators and/or their designees shall be furnished notification regarding calls received by OCC from excavators of intent to excavate in the service area designated by said Operator pursuant to Section 2.4 hereof prior to excavation. Each Operator that receives notification, or for whom notification is provided to a third party, because it has facilities identified in the data base lookup, will be billed for each such notification pursuant to this tariff.

Regular notification to the Operator shall be sent indicating that excavation is planned to begin between three and ten working days from the date of the notification. Said notices shall be sent using telecommunications to the receiving equipment of the Operator within a matter of hours following receipt by OCC from an excavator of intent to excavate.

5.2 Routine Notice: (See notice attached hereto as Schedule D, sheet 16)

5.3 Emergency Notice: (See notice attached hereto as Schedule E, sheet 17)

An emergency is defined as any condition constituting a clear and present danger to life, health or property caused by the escape of any material or substance transported by means of an underground facility or the interruption of a vital communication or public service that requires immediate action to prevent or mitigate loss or potential loss of the communication or public service, or any condition on or affecting a transportation right-of-way or transportation facility that creates a risk to the public of potential injury or property damage. Emergency notice to the Operator shall be sent indicating that a potential hazard to life and equipment exists and immediate action is required.

Issued: May 1, 2020
By: Daniel J. Florenzo, President
One Corporate Place South
Piscataway, New Jersey 08854

Effective: May 1, 2020

5.4 Voice Emergency Notice:

A voice notification may be sent, at the Operator's request, confirming an emergency notice that was transmitted in accordance with Operator instructions. Voice notifications provided hereunder shall incur an additional charge as provided for in Schedule B (sheet 14) hereto.

5.5 Update Notice: (See notice attached hereto as Schedule F, sheet 18)

Specific notices inform the Operator of additional information regarding a job for which notification has previously been transmitted. These notices employ the format of the Routine Notice (Schedule D) with data in the appropriate fields. An update notice may be used to inform the Operator of an urgent need to refresh the markout where it has been lost. Said notice will alert the Operator to the message in the same manner as an emergency notice and will indicate that immediate action is required.

5.6 Responsible Excavator Update Notice: (See notice attached hereto as Schedule G, sheet 19)**5.7 Rented Equipment Operator Update Notice:** (See notice attached hereto as Schedule H, sheet 20)**5.8 Cancellation Update Notice:** (See notice attached hereto as Schedule I, sheet 21)**5.9 No Response Update Notice:** (See notice attached hereto as Schedule J, sheet 22)**6. LIABILITIES****6.1 OCC Liability:**

OCC will use reasonable diligence in furnishing to Operators in a timely fashion notice of intent to excavate, but in the event such furnishing of notice shall be interrupted or fail by reason of causes beyond the control of OCC and which could not have been avoided by the exercise of due care, OCC shall not be liable to Operators for damages.

6.2 Operator Liability:

Good Night Message: Operators shall be responsible for reporting and verifying to OCC any request or retransmission of any notification listed on the Good Night Message but not accounted for at the Operator's site.

One Corporate Place South
Piscataway, New Jersey 08854

Effective: May 1, 2020

RATE SCHEDULE

Each operator that receives notification, or a copy of a notification, or for whom notification is provided to a third party, regardless of whether the notification included notifications on behalf of other Operators, shall be charged a rate as defined below.

The charge per Ticket effective May 1, 2020 and until the effective date of a revised tariff is established is \$ 1.43. The rate may be recalculated, if necessary, and approved by the Board in accordance with the agreement. No charge shall be made to Operators for notifications of Updates and Broadcasts.

TERMS OF PAYMENT

Payment shall be due not later than 30 days from the date of the bill. All bills shall list a due date.

BILLING FREQUENCY

Bills for service rendered under this Rate Schedule will be rendered in arrears monthly, quarterly or annually as agreed to by and between OCC and the Operator.

LATE PAYMENT FEE

For bills rendered to non-governmental entities only, any bill remaining unpaid more than 30 days after the bill due date shall be subject to a late fee payment of 1% of the amount of the bill for each 30-day period, or increment thereof, the bill remains unpaid.
